LEATHER GLOVES FOR FIREFIGHTERS

FHR 001

Leather gloves for firefighters FHR 001

These are leather gloves conforming to EN 659 + A1:2008 + AC:2009 standard: Protective gloves for firefighters.

Two models of FHR 001 gloves are available:

- FHR 001 S – 100% Kevlar® knitted wristband
- FHR 001 L – long leather cuff with adjustable belt with velcro closure

Features:

- ★ Highest 5 dexterity level according to EN 420 thanks to highest quality nappa leather: flame resistant, heat resistant, waterproof, very soft, tanned and oiled to prevent shrinkage
- ★ Abrasion, cut, tear and penetration resistance according to EN 388
- ★ High temperature resistance – level 4 according to EN 407
- ★ Waterproof thanks to Hipora membrane with additional windproofing and breathability
- ★ Very densely knitted 100% Kevlar® lining combined with a membrane and leather in a unique patented way to ensure comfort and dexterity
- ★ Knuckle reinforcement on the outside
- ★ Available in sizes 6 to 13

Main advantages:

- ★ Highest 5 dexterity level
- ★ Highest quality, soft „nappa” leather
- ★ Abrasion, cut, tear and penetration resistance
- ★ Knuckle reinforcement
- ★ Functionality and comfort
